

DEATH RESULTS IN A BIG SUIT

Mrs. Sheppard Wants \$30,150
For the Killing of Her Son.

RUN OVER BY A STREET CAR

JURORS FOR JANUARY TERM OF
COURTS ARE DRAWN.

The street car company has been made the defendant in an action begun in the district court by Mary Anne Sheppard to recover \$30,000 damages for the death of her son, Horace A. B. Sheppard, besides \$150 funeral expenses and costs of the suit. Her attorneys are Powers, Straup & Lippman and James H. Myle.

Sheppard was run over and killed by a State street car near the joint building on June 10 of this year. According to the allegations in the complaint, at the time the accident occurred the deceased was compelled to ride on the front platform of the car, which was a very old one, and so out of repairs that the brakes would not work properly. The inside of the car was crowded.

While the car was descending the grade near the joint building on State street, at an alleged rate of fifteen miles an hour, contrary to the city ordinances, Sheppard was thrown over the front dashboard of the car. The motorman was unable to control the car, so it is alleged, because of the defective brakes and because of the high rate of speed at which it was going, and it ran over Sheppard, badly injuring him that he died a short time afterwards.

Those who will serve under Judges Morse and Stewart.

The jurors who will serve during the January term of Judge Stewart's and Judge Morse's courts were drawn yesterday afternoon by County Clerk John James. Assistant County Attorney Fred Lofboing and County Treasurer William H. Dale. Those who will serve in the second division of the civil court under Judge Stewart follow:

MISS HILL LEFT AN ESTATE.

Mrs. M. E. McKay Applies For Letters of Administration.

Mrs. Mattie E. McKay yesterday filed a petition in the district court asking for letters of administration in the matter of the estate of Anna D. Hill, her cousin, who died under mysterious circumstances on Dec. 19, in the office of Dr. E. S. Payne. It is asserted in the petition that deceased left on deposit in the National Bank of the Republic \$88, and has due her from the city for services as teacher in the Lowell school, \$61. The heirs at law are said to be Milton E. Hill, father; Ellen Hill, mother; Frederick Hill, aged 22; Harley Hill, 19; Richard Hill, 17; brothers, and Lulu Hill, sister, aged 13 years. Judge Hall will hear the petition on Jan. 16, 1903.

Insane Patient Seeks Freedom.

The friends of Antonio Chialdini, an Italian, aged 26, who was committed to the insane asylum at Provo in January, 1901, have petitioned Judge Hall for a hearing to establish his mental fitness looking to his discharge. County Clerk James will hear the case on Tuesday afternoon, Jan. 6, 1903, at 1 o'clock. Dr. M. H. Hardy, superintendent of the institution, has been summoned as a witness. Judge Ritchie will appear in behalf of Chialdini, who will be re-examined by Drs. Odell and May.

Judge Hall Grants Two Divorces.

Judge William C. Hall yesterday granted two decrees of divorce. In the first instance the mismatched couple were Alice F. Langton and Frank Langton. She charged desertion. In the second action the judge awarded Mrs. Caroline V. Gessford the custody of her two sons, and James W. Gessford the care of his five daughters. Mr. Gessford charged desertion. The couple were married in Washington, Pa., Dec. 29, 1881.

District Court Notes.

On Jan. 5, 6, 7 and 8 Judge Hall will call his law and motion calendar instead of Dec. 23, as previously announced.

Jessie B. Hadaman began an action for a divorce from William H. Hadaman yesterday in the district court on the grounds of desertion and non-support. They were married in this city on June 1, 1898.

Alice Porges began an action yesterday in the district court to recover \$1,500 from P. M. Nelson and the Salt Lake Turf exchange, which she claims she loaned the men on April 1 and Nov. 30, and which they have never repaid.

Mrs. Winifred S. Walker has petitioned Judge Hall to appoint her guardian of her son, Albert Winifred Walker, aged 8 months, son of Albert E. Walker, deceased, and grandson of John R. Walker, one of the original brothers of the dry goods firm of Walker Bros. Albert E. Walker died shortly after his son's birth, of appendicitis, leaving an estate valued at about \$8,250.

GERP

NOT DUE TO CLIMATE.

Catarrh Is Found Everywhere.

Catarrh is at home anywhere and everywhere. While more common in cold, changeable climates, it is by no means confined to them, but is prevalent in every state and territory in the Union.

The common definition of catarrh is a chronic cold in the head, which if long neglected often destroys the sense of smell and hearing; but there are many other forms of the disease, even more obstinate and dangerous.

Catarrh of the throat and bronchial tubes as well as catarrh of the stomach and liver are almost as common as nasal catarrh and generally more difficult to cure.

Catarrh is undoubtedly a blood disease and can only be successfully eradicated by an internal treatment. Sprays, washes and powders are useless as far as reaching the real seat of the disease is concerned.

Dr. McVerney advises catarrh sufferers to use a new preparation, sold by druggists, called Stuart's Catarrh Tablets, because actual analysis has shown these tablets to contain certain antiseptic qualities of the highest value and, being an internal remedy, pleasant to the taste, convenient and harmless, can be used as freely as required, as well for children as for adults.

An attorney and public speaker, who had been a catarrh sufferer for years, says:

"Every fall I would catch a cold which would settle in my head and throat and hang on all winter long, and every winter it seemed to get a little worse. I was continually clearing my throat and my voice became affected to such an extent as to interfere with my public speaking."

"I tried troches and cheap cough cures and sometimes got relief, but only for a short time, until this winter when I learned of the new catarrh cure, Stuart's Catarrh Tablets, through a newspaper advertisement. Two 50-cent boxes which I bought at my druggist, cleared my head and throat in fine shape, and to guard against a return of my old trouble I keep a box of the tablets on hand and whenever I catch a little cold I take a tablet or two and ward off any serious developments."

Stuart's Catarrh Tablets deserve to head the list as a household remedy, to check and break up coughs and colds, because unlike many other catarrh and cough cures these tablets contain no opiate, cocaine or any injurious drug.

LOCAL BRIEFS.

COLLEGE CLUB.—The College club will meet Wednesday afternoon at the home of Miss Yardey, 405 Logan avenue.

TO DELIVER ADDRESS.—President Joseph F. Smith will visit the Twentieth Ward Sunday school at 10 a. m. today and make an address.

UNDER QUARANTINE.—The home of Bishop O. F. Whitney is under quarantine for scarlet fever, the suspected member of the family being Wendell, a young son.

WAR VETERANS TO MEET.—A meeting of the members of the Utah Society of the Army of Philippines has been called for this afternoon at 3 o'clock in Judge Tanner's court.

CRAMMING BUTTER CHEAPER.—Large importations of creamery butter from the east and an increased local supply, caused the wholesale price of that commodity to ease off 4 cents per pound yesterday, which resulted in a reduction of the retail price from 35 to 30 cents per pound.

SPECIAL SERVICES.—Special Christmas services will be held tonight in the new twenty-first ward chapel, corner of K and First streets, beginning at 6 o'clock. There will be two addresses, the speakers being Ed Hudson and John Burrow, the remainder of the programme consisting of musical numbers.

TO ATTEND FUNERAL.—Mayor Thompson requests that all members of the present city council and also of those councils in which Mr. Allen served, meet at the city and county building at 11 a. m. today to attend the funeral of John Allen, which is to take place at the Twenty-fourth ward meeting house at noon. There will be carriages at the building to convey the city councilmen to the meeting house.

BETTER GAS SERVICE.—The Utah Light & Power company, at a meeting of its directors, has decided to expend \$50,000 for improvement and development purposes on its gas properties. With this amount the company can rehabilitate and modernize its plant, besides extending the service. One of the improvements contemplated is a \$30,000 gas holder. The company will also establish auxiliary reservoirs of steam and water.

FOR CLUB DIRECTORS.—At a meeting of the nominating committee of the Commercial club the following names were chosen for presentation to the club for election as directors: Colonel E. F. Holmes, Simon Bamberger, J. J. Judson, S. H. Love and W. F. Myers. Before making the nominations the committee decided, after some discussion, to consider no names of persons ineligible for re-election, the unanimous opinion being in favor of rotation in office with a view to distribution of administrative work among the members as widely as possible.

The names highly recommended by the directors as the unanimous choice of the committee, and posted as the regular ticket. It is quite possible an independent ticket will be placed in nomination, in which event the election will probably be a spirited affair.

GRAND JURY IS DEMANDED

Citizens to Petition District
Judges to Order One.

DEMAND GENERAL INQUIRY

MASS MEETING FRIDAY WILL
BE A LARGE ONE.

To the Judges of the District Court, Salt Lake County, Utah:
The undersigned citizens of the city and county of Salt Lake respectfully submit to you this petition, and in their opinion, in view of the fact that at the first of the coming year the terms of the present county officers expire and their successors assume their duties; and in view of the present exposures as to crime and immorality in the city, we believe that a grand jury should be empaneled to make general inquiry as to public affairs, and we ask that one be called for the approaching term of court.
Dated Dec. 24, 1902.

The most important move yet made in the crusade against vice and crime as it exists in Salt Lake is the circulation of the above petition for signatures of prominent men, requesting that a special grand jury be empaneled to inquire into and fix the responsibility, if possible, for the immoral condition as shown by The Herald, especially with reference to the tendorium. Just as would be unless the police acted at once, P. B. Critchlow of the board of education has taken the matter up with W. J. Newman, president of that body, and the latter has placed his name at the head of the petition. Other names will be added within the next two or three days, and all the signers will be representative citizens.

It is hoped by those who are leading in the movement that the petition will result in a complete investigation of the social evils so conspicuous in this city, and measures of some kind taken to eliminate them. The aim is to have the city government looked into, police force and all, and ascertain whether the laws are inadequate or whether a plain apathy on the part of the police is responsible for conditions.

The action of the Woman's Christian Temperance union in calling a mass meeting to consider the situation was generally commended by law-abiding residents yesterday, and there is every indication that the meeting, to be held next Friday if practicable, will be very largely attended.
